The American Neuropsychiatric Association (ANPA), established in 1988, is an organization of professionals in neuropsychiatry, behavioral neurology, neuropsychology and the clinical neurosciences. Our mission is to improve the lives of people with disorders at the interface of psychiatry and neurology. Our vision is that ANPA will transform recognition, understanding and treatment of neuropsychiatric disorders. If you’re not already a member, we invite you to join us.

### Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Partners HealthCare System, Inc. and American Neuropsychiatric Association. Partners HealthCare System, Inc. is accredited by the ACCME to provide continuing medical education for physicians. Partners HealthCare System, Inc. designates this live activity for a maximum of 25.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Maintenance of Certification Credits
The American Board of Psychiatry and Neurology has reviewed the ANPA 30th Annual Meeting and has approved this program as part of a comprehensive Self-Assessment program, which is mandated by the ABMS as a necessary component of maintenance of certification. The Annual Meeting offers the opportunity to earn 10 Self-Assessment credits. Completion of a pre-event and post-event online exam are required.

### Target Audience
This event is targeted for physicians, clinicians, and professionals in behavioral neurology, neuropsychiatry, neuropsychology, psychiatry, psychology, and neuroscience.

### Learning Objectives
Upon completion of this activity, participants will be able to:

- describe the neural circuit underlying attention.
- identify one neuropsychiatric disorder where cognitive and perceptual prosthesis are especially applicable.
- list three right hemispheric dominant functions.
- summarize how neurology and psychiatry have converged over the past 30 years, the important ways they have not, and the gaps in knowledge and practice that persist between neurology and psychiatry that neuropsychiatrists can fill.
- explain the unique contribution of neuropsychiatry in dialogues with patients and families, with clinicians of other specialties and disciplines, and with people who administer and pay for health care.

The Westin Michigan Avenue Chicago

Located on the Magnificent Mile, The Westin Michigan Avenue Chicago offers travelers an unbeatable vantage point from which to explore downtown attractions including Millennium Park, Soldier Field and Navy Pier.

For the convenience of Annual Meeting attendees, a block of discounted rooms has been reserved. Discounted rates of $199 per night have been arranged for traditional ANPA Annual Meeting attendees. A limited number of trainee/student rooms are reserved at a rate of $179. All rates are subject to state and local taxes.

The deadline to reserve a room at the discounted rate is February 25, 2019 at 5 pm Central Time. Reservations received after this date will be accepted at the hotel’s prevailing rate, based on availability.

Reservations are easy to make online: www.anpaonline.org/2019-annual-meeting/accommodations

If you do not wish to book your accommodations online, you may do so by phone. Attendees may dial this toll free number (1-888-627-8385) to speak to a reservations representative. It is imperative that individuals indicate their group affiliation (ANPA) when making a reservation.

MARCH 20-23, 2019
Register online today at www.anpaonline.org

Early Registration Deadline is January 31, 2019

Cancellations made within 10 business days of the event will be issued a full refund, minus a $50 processing fee.

Registration packages cancelled less than 10 days prior to the start of the event are non-refundable.

If you require assistance with hearing, vision, or mobility to make this conference accessible to you, please contact anpameting@ gmail.com at least three weeks prior to the start of the event.

Booking in the ANPA room block is a vital way to support the association. Doing so helps us keep meeting registration costs low, and keeps you close to your colleagues and all of the excitement of the ANPA Annual Meeting!
